*7th Annual*  
*Wallace Berkowitz Cup*  
TO BENEFIT THE NHC FOUNDATION

MAY 22, 2017

Wallace Berkowitz, born in New York City, made Sullivan County his home in 1960.

Wally was a graduate of the Bronx School of Science and City College of New York. A US Army Veteran, he served during the Korean War and was part of the Army Audit Agency.

Wally, a CPA, practiced accounting in Monticello and Liberty for 20 years, and was an active stakeholder in civic community organizations. Wally began serving on the New Hope Community's Board of Directors in 1989.

During his tenure, he served as Board Chair from 1994 to 2004 and as assistant secretary from 2005 to 2008.

New Hope Community has flourished as a direct result of his presence, leadership, and most importantly, his humanity.

# Committed to a Healthier Community

At Catskill Regional Medical Center, we know that a healthy community means having a growing and thriving hospital that you can rely on. That's why we're continually transforming our facilities and programs to better serve the needs of our patients. Our leadership plays an active role in patient care and community involvement.

We're committed to improving the health of the community through a variety of services, in addition to health screenings, support groups and awareness events. And, as part of an expansive network of care that includes Orange Regional Medical Center, you've got the access you need to the level of care you and your family deserve.
