At Epstein Partners, we understand that every family is unique. When it comes to helping you manage your family's wealth, we provide thoughtful and comprehensive custom solutions with highly responsive service and efficient execution. The boutique family office experience we've created is focused on anticipating your complex needs and exceeding your expectations across each area of your life and wealth.

Our services extend beyond investing capital and include tailored lending, multigenerational wealth planning, investment banking and financial education. As members of the exclusive UBS Private Wealth Management division, our team has direct access to the vast philanthropic resources of our firm. With long-standing relationships behind the financial advice we provide, our team is often entrusted to be our clients' "first call."

Whether your goal is to impact the future of your loved ones, your community or future generations, we're here to serve your mission. Call us today to start the conversation.
